Stradivari- Intermediate Orchestra Class

Would you like to have the experience of playing in a string orchestra?

Weacademies is offering an intermediate orchestra group class for students that have taken lessons on a string instrument (violin, viola, cello or bass) for at least three years. We will be meeting on Thursdays from 3:30-4:30 and will put on a performance at the end of the 10-week session. Throughout this class we will work on different styles of music in an ensemble setting. The cost for this great opportunity is \$160 a semester. If you have any questions regarding eligibility or class content, contact Charles Stout (stoutcp84@gmail.com.) Hope to see you there!
